RE: Tax Billing & Assessing Contracts

Ms. Musgrave:

Enclosed are copies of my tax billing technical agreement and a copy of the annual maintenance/support/programming costs for the last three years. I have the LLLow Tax Billing system and I am extremely pleased with this product. I am also extremely pleased with their service.

Enclosed are copies of my County Assessors' personal property, sales disclosure and trending agreements. I do not have a copy of their assessing system yet. I will send a copy of their assessing system agreement when I get it.

I enclosed copies of the fees paid to the personal property, sales disclosure, trending, and assessing systems costs for the years indicated on the printouts.

If you have any questions please feel free to contact me at 812-268-4491.

Thank you for your help.

Respectfully,

*Jean Harris*
